A gruff sergeant. An unlucky ghost. A psychotic mercenary. A sarcastic slacker. An unrepentant kiss-up. Two morons. A tank with impeccable manners. And a robot stuck on the Spanish setting ...

War is hell.

In the distant future, ten soldiers battle for control of the least desirable piece of real estate in the known universe — a box canyon in the middle of nowhere. *Red vs. Blue* chronicles the misadventures of two hapless armies as they wage a war that few understand and no one wants to fight.

The hit comedy series that took the Internet by storm is now on DVD, with 19 full episodes, audio commentary by the filmmakers and special scenes you won't find anywhere else!

"You NEED to see *Red vs. Blue*."
